**Audrey Hager, ANAA Board member since 2023**

It is our great pleasure to introduce Audrey Hager, Director of ANAA  
and also, Event Director of Bernalillo Indian Arts Festival

Audrey Hager was called upon in 2017 to help with what was a growing Bernalillo Indian Arts Festival in Bernalillo, New Mexico. Though Audrey lives in North Carolina, her mother, Sara Chadwick recruited her to travel to New Mexico to run the event. Audrey has helped with the festival each year and without that help Bernalillo Indian Arts Festival would not have flourished as it has.

Hager received her bachelor's degree in marketing from Indiana State University. Her career has been in events management. She was Events manager of Caesars Palace at Lake Tahoe, Nevada and Caesars, Indiana. She also was event director at Harrah's Entertainment, and Horseshoe Casino in Southern Indiana. Later, she became director of Special Events and Festivals at Town of Maggie Valley, North Carolina. She is currently in business with Keller Williams as a real estate agent

Hager's highly energetic and dedicated professional nature, along with her knowledge and experience in key areas of entertainment, provides the impetus for success of the Bernalillo Indian Arts Festival.
